Parental/Family Engagement	<p>As a part of our continuous improvement process, all schools create 2 year School Improvement plans. At the end of the first year of the plan and once test scores are received, the School Improvement Team will review both academic and organizational goal. A family engagement activity is scheduled monthly beginning with a Community Day and Open House in August. Each monthly event will target areas of need based on our school data, district initiatives, and student needs. Celebration of Success(Awards Program) is held quarterly. Other student programs that highlight students multiple talents are scheduled four times a year. (two events are in Winter and two events in theSpring) Field Day, our biggest parent involvement activity, is conducted in the Spring of the year. Lucile Souders has an established PTO that meets every third Thursday of the month. They have scheduled several family engagement activities throughout the year.(Skate Night, Fundraisers, Parent Tidbit Nights, etc.)</p>	
Safe and Orderly schools	<p>The Cumberland County School System (CCS) has a commitment to excellence in providing a safe and healthy workplace. Safety of employees and students must be given first priority in every activity. To that end, all our employees have access to our district Safety Manual and Crisis Management Handbook on the CCS intranet. The Safety Manual is provided to help schools insure their day to day practices are in line with best safety practices, prepare for events that can be better managed with a safety plan, and outline protocols for handling potentially hazardous materials in our schools. Although a crisis is an event that is extraordinary and cannot be predicted, the Crisis Management Handbook was prepared to provide the principal and the local crisis team a quick reference guide of procedures to follow when a crisis occurs that affects the school.</p>	

<p>Review of the SIP plan and notification of changes</p>	<p>As a part of our continuous improvement process, all schools create 2 year School Improvement plans. At the end of the first year of the plan and once test scores are received, the School Improvement Team will review both academic and organizational goals and make changes as needed. The superintendent's designee will be informed when the plan has been changed.</p>
